

3D FILES DOWNLOAD INSTRUCTIONS

LOGIN

1.

2.

First of all, please do the LOGIN or REGISTER yourself on the platform.

DOWNLOAD

Then, search for your product on the platform. When you have found it, please click on the "arrow symbol" (1.) to download directly a zip folder with the 3D file. If you want to download two or more 3D files, please click on the "basket symbol" (2.) so the platform will register your choices and you will be able to download all the files chosen by clicking on the yellow button "Open basket window".

Welcome Melissa
